FROM:

  
Director of Training and Education

SUBJECT: Headquarters Library Support to Soviet  
Training Program

1. I would like to express my appreciation for the valuable support you have given our new Soviet training program by making available both classified and unclassified reading shelves in the Headquarters library for our students.

2. In deciding to conduct many of our Soviet courses at the Headquarters building, we gave up the library facilities, clerical assistance and other support networks available to us in the Chamber of Commerce building. It is good to know that you and your staff have been so skillful and willing to assist us in making this transition.
